Ghost Chili

Hotness 1,000,000 SHU

In 2006, the Guinness Book of World Records confirmed the Ghost Chili as the hottest chili pepper in the world. Ghost Chilis have a heat rating of approximately 1,000,000 SHU (Scoville Heat Units). Jalapeños are only rated at approximately 5,000 SHU, and Habaneros around 100,000 SHU. This Ghost Chili is HOT! The smoky flavor gives it a great taste! A little goes a long way to spice up your chili and other dishes. Also great for showing your friends how tough you are! Each bag contains approx. 13-16 dried, smoked, whole peppers (approx 0.5 oz.).
