Trees

Hot peppers

Herbs

Flowers

TREASURES

Baby Egg

**Customer testimonial:**

"I received one of your plants from a friend. I was amazed how fast it sprouted and the message(xoxo) was so cool." - Coco

"I planted one of your 'best wishes' beans for a friend who was having a baby. What a clever idea. This started a huge bean seed and the writing was really clear. It grew really fast! The smiley face on the opposite side was a cute touch too." - Edmonds

### **FAQ for "Nature's Greeting Message", "Ocean World" & "Dino World" Plants (plants with message)**

**What is the concept of the Nature's Greeting Message Plant?** Nature's Greeting is a gift plant that grows with engraved words and icons on the beautiful plant's central bean.

**What is the germination rate?** 99.9%

**What is the daily care?** Just add water when soil is dry.

**What is included?** Everything. Just open, add water, and place near a window.

**How fast does it sprout?** The message will be visible in 7-14 days. At this time, your plant will be 4-6 inches tall.

**What type of plant is it?** It is a climbing ornamental plant.

**What is the life cycle of the plant?** It is a perennial and can be transplanted to a pot or outdoors (lives only above 32 Degrees F).

**Will this plant flower and grow pods?** Yes, It will flower and grow pods 12-18 inches long. Leaves, pods, and beans are NOT edible.

**When should I transplant?** Move to larger pot, or plant outdoors before the plant becomes root bound in its original container.

**What is the shelf life of the product?** 2 years.

**Is it an Eco friendly product?** All Magic Plant products are made from 100% recyclable materials.

**How do I surprise someone?** Remove the sticker that displays the message before giving. The recipient must grow the plant to see the message.

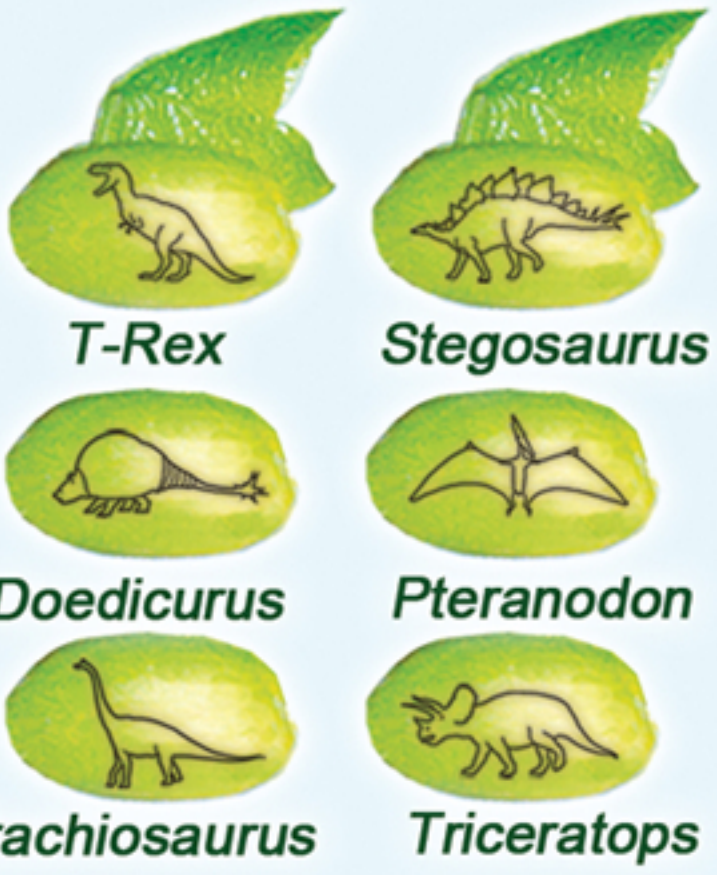

# Additional Magic Plants - Fun for the little ones

A real bean-plant that sprouts to reveal an engraved creature's name on one side of the bean and the creature's drawing on the other side of the bean. Each world offers 6 kinds of unique creatures.
